<b>Ordinal Numbers</b>	<b>Counting Numbers</b>	<b>Measuring Numbers</b>	<b>Labeling Numbers</b>
Are used to show position.  I was first in line.  Minnesota was the 32 <sup>nd</sup> state to join the Union.	Are used to count and tell how many.  There were 3 zebras.  We had 17 chickens.	Are used to tell how heavy, long, or big something is.  They can also tell what time or temperature it is.  It was 16 miles to school.  It was 2 o'clock.	Are used in the name of an item or object.  I got the PS4 this year.  My husband tried to exercise with P90X.  R2D2 is a robot in Star Wars.
